# Employment System for New Yorkers of all Abilities

New York  
Employment  
Services System

# *What Should You Know About NYESS and Giving Consent to Coordinate Employment Services*

## *What is NYESS?*

The New York Employment Services System (NYESS) is a computer system to help you find jobs. It helps you link with other supports. If you need them. It helps all of your providers to work together helping you with work.

*NYESS was especially designed to help New Yorkers with all abilities find, get and keep jobs!*

## *NYESS can help you with:*

- Your job search
- Building a resume
- Exploring careers and the world of work
- Accessing job listings in New York Job Bank
- Matching your skills to jobs
- Getting tax credits (money) you may be eligible for
- Helping you acquire benefits, if you need them
- Your "Ticket-To-Work"
- Connecting you to other job supports
- Checking out employment services providers
- Health insurance
- Enrollments

## *Why does my employment services provider need NYESS?*

- Gets them paid for helping you
- Helps them coordinate your employment services
- Helps to find jobs
- Helps to coordinate benefits
- Helps employers with tax credits
- Helps with "Ticket to Work"
- Helps with enrollments

## *Why do I need to give my consent?*

You need to sign so your provider can get paid. Giving your consent enables your provider to help you with work. It aids all of the providers helping you to work together.
