### Internet Explorer (IE) Setup

To configure your IE settings, please follow the following steps:

STEP 1	STEP 2
 <p>The screenshot shows the Internet Explorer browser window with the 'Tools' menu open. The 'Internet Options' option at the bottom of the menu is highlighted with a red arrow. The browser's address bar shows a URL from the NYS Office of Mental Health website.</p>	 <p>The screenshot shows the 'Internet Options' dialog box with the 'General' tab selected. In the 'Browsing history' section, the 'Settings' button is highlighted with a red arrow. Other sections like 'Home page', 'Search', and 'Appearance' are also visible.</p>
<p>Open Internet Explorer, Click on Tools. Choose Internet Options.</p>	<p>On the General Tab, go to the Browsing history. Click on Settings.</p>

**STEP 3**

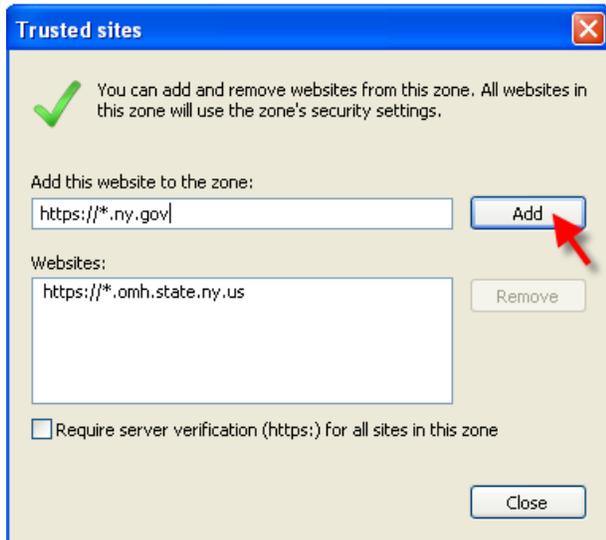

Select "Every time I visit the webpage".

**STEP 4**

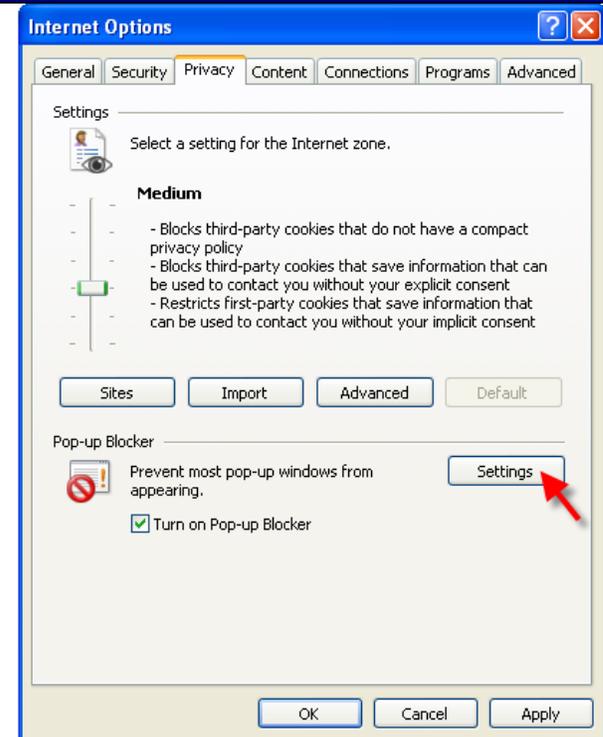

Click on the Security Tab.

**STEP 5**

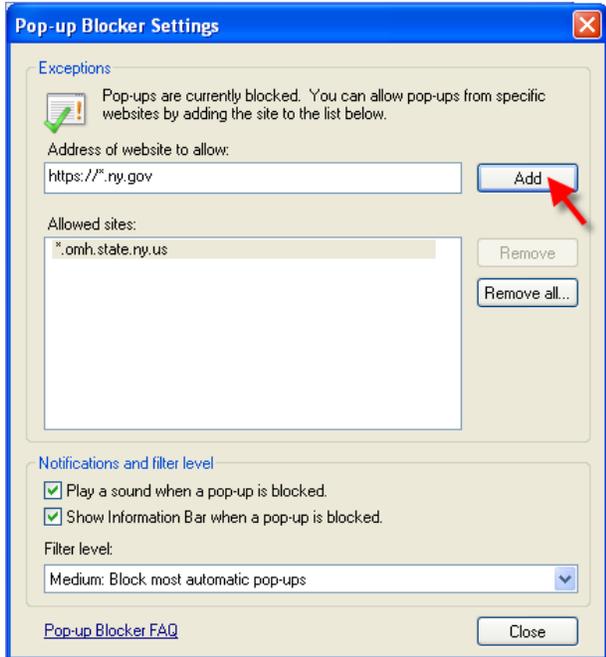

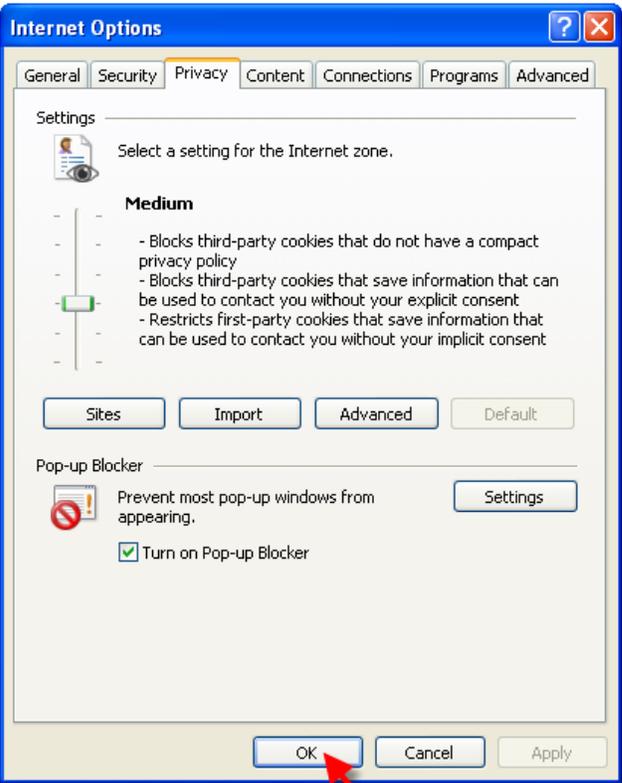

In "Add this Web site to the zone:"

**STEP 6**

Click on Privacy Tab.

STEP 7	STEP 8
	
<p>In "Address of website to allow:"                  Type: "https://*.omh.state.ny.us", Click Add.                  Type: "https://*.ny.gov", Click Add.</p>	<p>Click OK.                  OMH is now a "trusted" and "allowed" site.                  Your Internet Explorer Setup is complete.</p>

**Note:**

Software which is installed to operate with Microsoft Internet Explorer like Yahoo Toolbar, Google and other IE tool bars often have IE window Pop-up Blockers which may not allow NimrsWeb to function properly.

Please disable or uninstall any other Pop-up Blockers you may have while running NimrsWeb. This includes programs like McAfee Site Advisor which could prevent NIMRS reports from printing properly.
